

# Bible Memorization Boxes

Copy a verse in the first box putting one word in each box. In the second box, copy every other word with a blank for the next word. Third box, copy only 5 important words in their boxes and leave the rest blank. Then try to say the verse without looking at the page. See second page of this document for an example.

Write a verse here – one word per block.					
Write verse again leaving out every other word.					
Write verse again leaving out all but 5 key words.					

Here's how we use this system:

I hope this printable helps you and your children memorize scriptures more easily. Here is a picture of one that we have done. Once you copy the verse, you can use the copied text for your next 2 boxes.

Keep these papers on hand for review every few weeks.

Another great tool that we have used for Bible memory is songs. Here are some of our [favorite Bible songs](#) that have helped us memorize many verses with ease.
